The appropriation of \$2,000,000 is eliminated for Grants for After School and Summer Activities for At-Risk Children. Based on official certification of available revenue and the current fiscal reality, an elimination is necessary in order to ensure a constitutionally balanced budget is achieved for the next fiscal year. The related language is deleted in its entirety. The language is unnecessary because supplemental funding for this item is removed from the Fiscal Year 2010-2011 Appropriations Act.
